THIS IS MY STORY:

My name is Niels Bergsma, I am 22 years old, and I am from the Netherlands. In my free time, I enjoy practicing my hobbies, which are described alongside this text. I also love spending time with my girlfriend and friends. You can also find me often in the gym. I'm a social guy that's creative and flexibel. I'm always in for new experiences and I like to learn new things. I love traveling, Australia was my best trip so far.

After I finished my Physical Education & Sports (Health Coordinator) at Landstede (Secondary vocational education) I wanted to do something different. I was always interested in marketing and starting a company. So I started my new study Marketing and Sales at HU University of Applied Sciences Utrecht.
